## NORTHWEST M+E BEST OF 2018 AWARD WINNERS

### **Best of Washington**

An eclectic mix of longtime readers' favorites and new entries grace the Best of Washington list this year, but all have one thing in common, according to our readers: They define the word "professional."

### **Places**

Featuring impressive 180-degree views of the Cascades, Olympics, waterfront and downtown Seattle, readers' choice for Best Convention/Conference Venue for 2018 is Bell Harbor International Conference Center, with 100,000 square feet of inspiring conference, event and meeting space located on Pier 66. Bell Harbor staff takes pride in expertly managing meetings for 25-1,000 attendees and meeting-planning professionals appreciate the center's inclusive "Complete Meeting Packages." Bell Harbor's stunning site is also the perfect setting for an unforgettable Pacific Northwest rehearsal dinner, wedding and reception, says General Manager Linda Jones.
